### Radio Management Committee

A Radio Management Committee (RMC) chaired by CSO has been set up recently to work out a roadmap for sustainable development of HKAC's signals communication. To step up training and development needs, the RMC recommends that squadrons should provide qualified signals personnel (adult instructors) to take care of their squadrons' radio communication and signalling matters. Signals Officer of CTSW will be responsible to arrange train-the-trainer workshops for these signals personnel to improve operating techniques and the use of newly acquired radio equipments as well as local amateur radio repeaters. Besides, Signals Officer will collaborate with the Hong Kong Amateur Radio Transmitting Society to organise lectures for our adult instructors to prepare themselves for the Hong Kong Radio Amateurs' Examinations.
